

### **Please don't leave household goods at the clubhouse**

In the last few months, residents have left a variety of household goods at the clubhouse, apparently to donate them. Please do not do this. As stated in the community association rules, "No durable goods are to be added or removed without prior approval of the Clubhouse Committee". If you have something you think should be added to the clubhouse, please notify the clubhouse chair. Thank you!

**Clubhouse Committee**
