

*Notice 09-02*  
*September 1, 2009*  
*From the Board of Directors*  
*Subject: Staining of Deck and Stair Supports*

The Architectural Review Committee has established a policy that deck and stair supports may be **stained** a natural wood color to preserve the wood and appearance of the deck and stair supports.

**Staining** of deck and stair supports, at the owner's expense, with a natural color wood preservative will be permitted, effective immediately, by the Fox Hill Farm Community Association.
